

GERARDA SALERNO HAMAD

I grew up in Italy and moved to Switzerland at the age of 23, where I met my husband, and together we have two children.

I am a trained seamstress and have worked as a temporary assistant for the Bösigers for several years.

For the past two years, I have been working permanently in the laundry at Chiropraktik Bad Ragaz AG.

In my free time, I enjoy taking long walks and spending time with friends and colleagues.

I really appreciate my work here at the practice, and the working atmosphere is great.
